Twenty Fifth Sunday In Ordinary Time

September 23, 2018

The fruit of righteousness is sown in peace for those who cultivate peace.

-- James 3:18

SIMPLICITY AND LOVE

As Jesus walks along with his disciples, they are talking and arguing. Jesus asks them what they are discussing, but he knows. They are arguing about which of them will be greatest in the reign of God. He tells them that whoever wishes to be first must take the last place and be the servant of all. Then he takes a little child and places it in their midst. "Whoever receives one child such as this in my name, receives me." Sometimes it is assumed that small children are incapable of understanding the teachings of the Gospels and the sacraments of the Church. The Catechesis of the Good Shepherd, which has its roots in the Montessori method of pedagogy, allows even very small children as young as three to experience the life of Jesus and the liturgy of the Church through materials such as the altar, small vestments in seasonal colors, and wooden maps of the Holy Land where Jesus lived and traveled, as well as other materials related to the Gospels and the liturgy. People who observe the children at their work using this method of catechesis are amazed at their understanding of the Gospels and especially the parables. Most importantly, the children develop a genuine love for Jesus that is deep and touching. There is a lesson here for all of us, as Jesus pointed out. We must have the same simplicity and love for Jesus as these little children in order to enter the reign of God.

SENCILLEZ Y AMOR

Mientras Jesús camina junto con sus discípulos, ellos van hablando y discutiendo. Jesús les pregunta de qué están discutiendo, pero él ya lo sabe. Están discutiendo acerca de cuál de ellos será más grande en el reino de Dios. Él les dice que quien quiera ser el primero debe tomar el último lugar y ser el esclavo de todos.

Luego él toma a un niño y lo pone en medio de ellos. "El que reciba en mi nombre a uno de estos niños, a mí me recibe". Algunas veces se asume que los niños pequeños son incapaces de entender las enseñanzas de los Evangelios y los sacramentos de la Iglesia. La catequesis del método del Buen Pastor, el cual tiene sus raíces en el método pedagógico Montessori, incluso permite a cada niño tan pequeño como de tres experimentar la vida de Jesús y la liturgia de la Iglesia por medio de recursos y materiales como el altar, ornamentos para los diferentes tiempos litúrgicos y mapas hechos de madera de Tierra Santa donde Jesús vivió y trabajó, también como otros materiales relacionados a los Evangelios y la liturgia.

Las personas que observan a los niños interactuando en el salón de clases, llamado Atrio, quedan sorprendidos por su comprensión de los Evangelios y especialmente las parábolas. Pero más importante, los niños desarrollan un genuino amor por Jesús que es profundo y conmovedor.

Hay una lección aquí para todos nosotros, como lo señaló Jesús. Nosotros debemos tener la misma sencillez y amor por Jesús como esos pequeños niños para poder entrar al reino de Dios.

LETTER FROM OUR TEENS...

Hello, my name is Juliana Yujuico. I am 15 years old and in 11th grade at Saint Francis High School in Mountain View. This year, I attended the Steubenville Conference that was held in San Mateo. During this event, I was blessed to have experienced the presence of the Lord throughout the entirety of it; there was not a single second without love, excitement, and spiritual growth. I am so grateful that I was able to spend a weekend with teens like myself fully embracing and immersing ourselves in our faith. For me, the most impactful experience of the event was adoration on Saturday night. I will never forget that tear-jerking moment; the whole room on their knees worshipping God. It felt like nothing else in the world mattered; all that existed was me and God. It was a beautiful ritual to experience, and to have been in a room where the presence of God was evident throughout every face in that room was something extraordinary. Without your help, I would have never been given that opportunity to experience such a wonderful event. So, I wanted to take this time to tell you how thankful I am for all your prayers and donations that allowed me to attend Steubenville. It was because of you that I now see my faith in a whole new light and I am eternally grateful for that.

YES, our parish youth ministry is open to all youth, incoming grades 6-12, now accepting new members.
