## The Ascension of the Lord — May 13, 2018

*Whoever believes and is baptized will be saved.  
— Mark 16:16*

### DIFFERENT, YET CLOSE

The feast of the Ascension is an opportunity to consider what we think of heaven, and also of earth. Both are God's creation. What comes to mind when you think of heaven? Heaven has been depicted, by Christians and others, in many ways. These depictions are sometimes far from what the scriptures describe. In the Bible, heaven is less a place one goes after death, and more God's space that interacts with physical creation, which is described as "earth." Heaven is quite different from earth, yet also close to earth. The Ascension teaches us that heaven interlocks with earth most completely in Jesus, who is both divine and human. When he ascended, Jesus began his reign over both heaven and earth. We also hear the promise of Jesus' return, when his reign will be made complete. Heaven and earth will be fully renewed, transformed, and joined together in a new way.

### DIFERENTE, PERO NO TANTO

La celebración de la Ascensión es una oportunidad para considerar qué es lo que pensamos del cielo, y también lo que pensamos acerca de la Tierra. Ambos son la creación de Dios. ¿Qué es lo que te pasa por la mente cuando piensas en el cielo? El cielo ha sido representado tanto por cristianos y por otras personas. Estas representaciones están tan lejos de lo que las Escrituras nos describen. En la Biblia, es todo menos un lugar a donde uno va después de la muerte, sino más el espacio donde Dios interactúa con la creación física, la cual es descrita como la "Tierra". El cielo es muy diferente de la Tierra, sin embargo, muy cercano a la Tierra. La Ascensión nos enseña que el cielo se entrelaza con la Tierra más completamente en Jesús, quien es tanto divino como humano. Cuando él asciende, Jesús empieza su reino en el cielo y en la Tierra. También escuchamos la promesa del regreso de Jesús, cuando su reinado se llevará a cabo. El cielo y la Tierra serán totalmente renovados, transformados y unidos en una nueva manera.

### Celebrate ALL Women this Mother's Day!

It is a wonderful choice to rejoice and to celebrate the women who are walking on the well-trodden road known as "motherhood." Rejoice with those who are the mothers in your midst! But also, remember to *weep with those who weep*. Pray for the women whose wombs are barren and whose hearts are empty. Comfort the women whose children have stepped into eternity. Put your arms around those who have given up children for adoption. Be compassionate toward the mothers whose children no longer desire to have a relationship with them.

Every woman in the body of Christ is a treasure to be valued and honored. Look beyond a woman's circumstances and view the treasure that exists in her heart. A woman is not defined by whether or not she is a mother, has been a mother or will ever be a mother! A woman's definition is derived from the love that she freely receives from the Father!

And so, this Mother's Day, thank every woman for serving Christ and for being a beacon of faith, regardless of her circumstances. After all, the highest goal in life for a woman is not to be a mother ... the highest goal in life for every woman is to simply be like Jesus. And that is something worth celebrating!
