The Most Holy Trinity Sunday

May 27, 2018

Go . . . and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit.

-- Matthew 28:19

ONGOING SALVATION

God rejoices when we refresh ourselves in God's love and rededicate our lives to holiness. Broken as we are, the Lord wants our help to save the world. Jesus saved the world once and for all, of course, through his cross and resurrection. But the work of God's salvation continues as God provides the grace for each human person to work toward healthy relationships with God and others. This work goes on until the end of time, and the Lord wants our help. This is what it means to be a disciple of Christ in the new evangelization: We must ask for the grace to live in Jesus, refreshing others with his love.

SALVACIÓN CONTINÚA

Dios se alegra cuando nos refrescamos con el amor de Dios y volvemos a dedicar nuestras vidas a la santidad. Hechos pedazos como estamos, el Señor quiere nuestra ayuda para salvar al mundo. Jesús salvó al mundo una vez y para todos, desde luego, por medio de su cruz y resurrección. Pero el trabajo de la creación de salvación de Dios continúa como Dios provee la gracia a cada persona para trabajar relaciones saludables con Dios y con los demás. Este es un trabajo que continuará hasta el final de los tiempos, y el Señor quiere nuestra ayuda. Esto es lo que significa ser un discípulo de Jesús en la Nueva Evangelización: Debemos pedir la gracia de vida de Jesús, refrescando a otros con su amor.

A simple start to understanding the Most Holy Trinity

The Trinity is one of the most difficult realities to comprehend but it might be a helpful start to recognize the distinction between a “being” and a “person.”

God is one Being (the one and only *divine* Being). This divine Being exists as three Persons (Father, Son, and Holy Spirit). This is unusual to us because each *human* being is only one person and it might seem that every being has to be one person: one being = one person.

But that’s simply not always the case. For example, a dog is a being but is not a person. A tree is a being but is not a person. In these cases, one being = zero persons. On the other hand, an angel is a being and is a person. In their case, angelic beings are similar to human beings: one being = one person.

Once you recognize that not every being is always exactly one person, it might be easier to grasp God’s unique reality, the Trinity: one Being = three Persons.

DID YOU KNOW???

One of the first symbols used for the Trinity was the triangle. The three equal sides forming one complete whole captures some of what it mean to be three in one.

While they were eating, he took bread, said the blessing, broke it, gave it to them, and said, "Take it; this is my body." Then he took a cup, gave thanks, and gave it to them, and they all drank from it. He said to them, "This is my blood of the covenant, which will be shed for many."
